FOR IMMEDIATE RELEASE

VST SENIOR MANAGEMENT ADDITION AND PROMOTIONS

Springboro, OH – February 4, 2019

Vapor Systems Technologies, Inc. (VST) is very pleased to announce a new management member and 2 promotions to senior management. These moves will further strengthen and enhance the VST Management team. This is designed to support continued growth in VST product development and market segment sales.

Scott Bennett has been named Executive Vice President of VST. Scott brings intimate knowledge of VST products, customers and markets. He will be responsible for managing and executing VST's continuing growth strategies.

Rachel Curry has been named Vice President of Finance. This is in recognition of her 16 years of excellence in managing VST's past financial operations. She is a key asset for continued VST profitable growth.

Scott Brown has been named Vice President of Sales & Marketing. Scott has also been with VST for 16 years and has been responsible for the successful development and execution of sales strategies and performance. In his new role Scott will be responsible for continuing the development of profitable VST sales growth.

All three are also being named to the VST Board of Directors. As such they will be able to contribute their considerable talents and energy to VST overall direction into future successes.
