

# VST Level A Authorized Service Training

## Getting Started

June, 2019

# Connect to Online Training

www.vsthose.com

The screenshot shows the VST website homepage. At the top left is the VST logo. To its right is the company name "Vapor Systems Technologies, Inc." followed by a navigation menu with links for "Corporate Profile", "Products", "Literature", "Distributors", "Compliance", and "Customer Support". Below the navigation is a large blue button with an apple icon and the text "NEW VST Education", with a red arrow pointing to it. Below that is a "CARB" button with a hand cursor and the text "Click here for full VST EVR program details". The main content area features the heading "Innovative Solutions for Vapor Recovery" and a paragraph: "VST products provide a reliable, cost effective barrier that helps protect the environment by containing fugitive vapors, reducing fuel drips and odors." A central image of a gas station is surrounded by four product images with callout lines: "ENVIRO-LOC™ Balance & Assist Nozzles", "ENVIRO-LOC™ Balance, Assist & Diesel Safety Breakaways", "ENVIRO-LOC™ Balance, Assist & Non-Vapor Curb Hoses", and "GREEN-MACHINE™ Vapor Processor". At the bottom of the page is a footer with links for "Home", "Help", "Contact Us", and the copyright notice "Copyright © 2009 VST. All Rights Reserved."

# Start the Training

A screenshot of a Learning Management System (LMS) interface. At the top, there is a navigation bar with links for 'Home', 'Messages', 'My Receipts', 'My Web Site', and 'Archive', and a 'Logout' button. Below this, a welcome message reads 'Welcome smclaughlin (Vapor Systems Technologies, Inc. LMS)'. To the right of the welcome message are links for 'Settings' and 'My Certificates', along with a prompt to 'Share your thoughts, ideas... (click)'. The main content area features a large VST logo. Below the logo is a horizontal navigation bar with tabs for 'Modules', 'Discussions', and 'Activity'. The 'Modules' tab is selected and highlighted in orange. Underneath, there is a section titled 'Modules and Courses' with a search icon. It contains a single course entry: 'Level A VST Authorized Service Contractor Course'. This entry includes a small VST logo, the course title, the provider 'LMS (Vapor Systems Technologies)', 'No description', 'No actions', and a status of 'not started'. A play button icon is visible at the end of the course entry. To the right of the 'Modules and Courses' section is a 'LIBRARIES' section with a single item 'All Training' highlighted in yellow. A red arrow points from the 'Start the Training' title to the play button icon of the course entry.
