VST: The Company

Employee Spotlight: Anthony Paulson

Thank you, Anthony, for all your hard work!

Anthony is our Employee of the Quarter.

He is a line leader for VST and is a reliable builder for our hoses.

He has worked for VST for 3 years and provided our customers with excellent quality products.

Thank you again!

VST Mission

To design and manufacture innovative products for retail refueling systems that are specifically engineered to protect the environment and consumers with safety and reliability.

VST Values

- R:** Respect Employees, Customers, Vendors, and Environment
- O:** Operational Excellence, Quality, Delivery, Safety & Cost
- I:** Innovative Passion, Unique, Industry Leader, and Committed to Excellence

VST Vision

VST strives to become the most trusted company in the global gasoline dispensing industry by manufacturing environmentally sustainable products and solutions that reduce harmful vapor emissions to create a future that protects the communities in which people live and work every day.
