Striving Towards Sustainability

## VST Training & Certifications

Doug Harty, Senior Applications Technician and Trainer [harty@vsthose.com](mailto:harty@vsthose.com)

### You can now print your certification from the VST website!

If you are a VST Authorized Service Contractor (ASC) and are listed on the VST website, you can now access your certificate directly from the website.

To do so:

1. Click this link to access the ASCs listed on the VST website: [VST ASC List on VST Website](#)
2. Find your name on the list.
3. Click "Re-send Certificate" and the system will send the certificate to the latest email address you provided us.

### VST Level A Training on Your Smartphone

Completing your Level A training for certification or re-certification has never been easier – now it can be done on your Smartphone! Click this link for a short video that walks you through the steps.

#### VST Mission

To design and manufacture innovative products for retail refueling systems that are specifically engineered to protect the environment and consumers with safety and reliability.

#### VST Values

- R:** Respect Employees, Customers, Vendors, and Environment
- O:** Operational Excellence, Quality, Delivery, Safety & Cost
- I:** Innovative Passion, Unique, Industry Leader, and Committed to Excellence

#### VST Vision

VST strives to become the most trusted company in the global gasoline dispensing industry by manufacturing environmentally sustainable products and solutions that reduce harmful vapor emissions to create a future that protects the communities in which people live and work every day.
