Stay Connected:
Follow VST on LinkedIn

At VST, we're dedicated to leading the industry with the most sustainable fuel equipment solutions in the market. But innovation doesn't stop with our products—it extends to the way we share knowledge, insights, and updates with you.

That's why we invite you to **follow VST**
on [LinkedIn](#) 

By joining our growing LinkedIn community, you'll gain access to:

Company News & Updates – Stay in the loop with the latest product launches, innovations, and holiday hours.

Industry Insights – Learn about trends shaping the fuel and automotive sectors, and how VST is helping set the standard.

Tips & Tricks – Discover practical guidance, best practices, and technical know-how designed to help operators, contractors, and partners get the most from our solutions.

Behind-the-Scenes Content – See how our team is driving change and learn more about the people making the products.

Follow VST today on LinkedIn and be part of the conversation shaping the future of fuel equipment.

VST Mission

To design and manufacture innovative products for retail refueling systems that are specifically engineered to protect the environment and consumers with safety and reliability.

VST Values

- R:** Respect Employees, Customers, Vendors, and Environment
- O:** Operational Excellence, Quality, Delivery, Safety & Cost
- I:** Innovative Passion, Unique, Industry Leader, and Committed to Excellence

VST Vision

VST strives to become the most trusted company in the global gasoline dispensing industry by manufacturing environmentally sustainable products and solutions that reduce harmful vapor emissions to create a future that protects the communities in which people live and work every day.
